### FLIGHT RECORDER

One of the great news with the CDP+ is the built in flight recorder. Set the parameters you wish to record and store the configuration on the CDP+. Simply connect the CDP+ to the vehicle. A trigger button to start the recording is located on the end cap.

### CONNECTOR WITH LED

Anyone that frequently uses a diagnostic tool knows how handy a flashlight is when you are locating the diagnostic socket under the dash board. On the CDP+ there is a LED located exactly where it is most useful, on the diagnostic connector.

### MULTI COLOUR INDICATOR

The CDP+ uses a multi colour indicator which is located on the front of the unit for excellent visibility. The indicator uses different colours to show the current state of communication as well as warning for low battery voltage.

### UNIVERSAL

Since the CDP+ is equipped with the class leading multiplexer technology the same VCI can be used for all vehicles regardless of age and type. A selection of adapter cables is offered to cover non 16pin OBD vehicles.

900 200 798 Softbridge (compatible with J2534 & ISO22900 according to Euro 5 specifications).  
 For details and conditions please contact your sales representative at Autocom.

## OBD CABLES - CARS

Article No.	Article specification		Distributor price (EUR)	Rec. Enduser price (EUR)
900 200 650	2+2 pin VAG, OBD test cable			68
900 200 651	14 pin OBD test cable* *Note 651 14 Pin OBD Rev2.0 can also be used for Mercedes HCV (Heavy Commercial Vehicle)			78
900 200 652	10 pin Opel , OBD test cable			74
900 200 653	2 pin PSA , OBD test cable (requires power cable no. 917)			74
900 200 654	30 pin PSA, OBD test cable			98
900 200 655	11 pin Renault, OBD test cable			116
900 200 656	10 pin SAAB, OBD test cable			52
900 200 657	3 pin FIAT, OBD test cable (requires power cable no. 917)			46
900 200 658	20 pin BMW, OBD test cable			106
900 200 659	38 pin MB, OBD test cable			98
900 200 660	F.V.V* OBD test cable (requires power cable no. 917) *(For older models of Ford, Volvo, VAG)			96

## OBD CABLES - CARS AND LCV

900 200 319	OBD cable bundle Cars and LCV (incl. No. 650 - 660, 673 and No. 917 in carrying case No. 279)			1 030
-------------	--	---	--	-------

## OBD CABLES - TRUCKS LCV

Article No.	Article specification		Distributor price (EUR)	Rec. Enduser price (EUR)
900 200 650	2+2 pin VAG, OBD test cable			68
900 200 651	14 pin OBD test cable*			78
	*Note 651 14 Pin OBD Rev2.0 can also be used for Mercedes HCV (Heavy Commercial Vehicle)			
900 200 657	3 pin FIAT, OBD test cable (requires power cable no. 917)			46
900 200 659	38 pin MB, OBD test cable			98
900 200 660	F.V.V* OBD test cable (requires power cable no. 917)			96
	*(For older models of Ford, Volvo, VAG)			
900 200 673	38 pin Iveco OBD test cable			58

## OBD CABLES - TRUCKS HCV

900 200 651	14 pin OBD test cable*			78
	*Note 651 14 Pin OBD Rev2.0 can also be used for Mercedes LCV (Light Commercial Vehicle)			
900 200 661	8pin Volvo Truck OBD test cable			90
900 200 662	16pin Scania/DAF Truck OBD test cable			106
900 200 663	12pin MAN Truck OBD test cable			140
900 200 664	37pin MAN Truck OBD test cable			180
900 200 665	30pin Iveco Truck OBD test cable			70
900 200 666	12pin Renault Truck OBD test cable			58
900 200 667	4pin Haldex Trailer OBD test cable			72
900 200 669	7pin Knorr/Wabco Trailer OBD test cable			52
900 200 671	4pin Haldex (ECU) Traller OBD test cable			70
900 200 693	7pin ISO 7638 Traller OBD test cable			218
900 200 675	7pin Knorr Traller OBD test cable			60
900 200 677	9pin Deutsch OBD test cable			60
900 200 679	4+4 pin Haldex ABS OBD test cable			76
900 200 681	9 pin BUS cable			40
900 200 682	3+6+9 pin ZF OBD test cable			70
900 200 683	18 pin Knorr test cable			108
900 200 684	15 pin WABCO test cable			162
900 200 685	25 pin WABCO test cable			126
900 200 686	35 pin WABCO test cable			150
900 200 687	5 pin Mini USB cable			30
900 200 688	9 pin Hübner test cable			48
900 200 691	16-pin Power adapter			88
900 200 918	OBD Trucks adapter			100
	16-pin adapter cable for trucks for CDP users with revision 4.0 or older (with red 16 pin connector)
